Fuse@10: Celebrating our first 10 years and planning for the next

Where: To be confirmed

When: 19 April 2018

Find out more: visit the 'Events' pages of the Fuse website www.fuse.ac.uk

An opportunity to:

- Celebrate the achievements of Fuse with our policy and practice partners
- Highlight future directions for Fuse under the NIHR School for Public Health Research (SPHR) and opportunities for collaboration between Fuse researchers and policy and practice partners

Please join us to:

- Reflect on your past experiences of working with Fuse and explore any gaps in the current evidence base or new local evidence needs.
- Discuss and develop research ideas, capacity building opportunities and knowledge sharing activities.
