

Knowledge Exchange in Public Health Conference

11-12th April, Ramside Hall, Durham

Monday 11th April 2011

12.00	Registration and lunch			Reception Foyer
1.30	<i>Chair: Eugene Milne (Deputy Regional Director of Public Health)</i> Welcome address: Martin White (<i>Professor of Public Health, Newcastle University and Director of Fuse</i>) and David Hunter (<i>Professor of Health Policy & Management, Durham University and Deputy Director of Fuse</i>)			Bishops Suite
2.00	Keynote: Jean-Louis Denis (<i>Canada Research Chair in Governance and Transformation of Health Organizations and Systems, École nationale d'administration publique (ENAP)</i>)			Bishops Suite
2.45	Keynote: Mike Kelly (<i>Director of the Centre for Public Health Excellence, NICE</i>)			Bishops Suite
3.30	BREAK and refreshments			
4.00	Parallel Sessions			Workshops
	Fountain Room (Parallel session A) Theorizing KT/KE Chair Duika L. Burges Watson	Beaumont Room (Parallel session B) Research Collaborations Chair Ann Crosland	Hatfield Room (Parallel session C) Influencing Policy and Practice Chair David Hunter	Neville Room (Workshop)
4.00-4.20	(A1) What happens when workshops are used as a mechanism for knowledge exchange? A realist evaluation of the Research to Reality Programme in North East of England Rosemary Rushmer, A Steven, D Hunter.	(B1) Experiences from the Tees Vascular Assessment Programme: using Theory of Change to evaluate healthcare interventions. Janet Shucksmith, R McNaughton, P Watson.	(C1) Health inequalities in Scotland and England: the translation of ideas between research and policy. Katherine Smith	(W1) Interaction between research, practice and policy: the Collaborative Centre for Public Health, Brabant, the Netherlands Joyce de Goede, MV Bon-Martens, L V de Goor, HV Oers
4.20-4.40	(A2) Uncovering tacit knowledge: a narrative study to examine knowledge processes in public health. Anita Kothari, D Rudman, M Dobbins, M Rouse, S Sibbald, N Edwards. <i>Continued on next page.....</i>	(B2) It all started with a conversation: research sessions for practitioners and ongoing practitioner/academic collaboration. Alison Steven, C Maxwell, L Young- Murphy.	(C2) Public health and ageing research: pointers to successful knowledge exchange. Peter Lansley.	<i>(continues until 5.00 pm)</i>

4.40-5.00	(A3) Critical exchanges of nettlesome knowledge: the fate of knowledge about the transformation of mental health service provision in its translation between stakeholders. Steve Bamlett.	(B3) Networks of innovation capabilities: collaborative ties that bridge boundaries in the co-production of the CLAHRCs. Sarah Evans, H Scarbrough, J Powell.	(C3) What really makes an impact? Understanding research use in different contexts. Sarah Morton.	
5.00-5.20	(A4) The CAPTURE Project: a knowledge exchange support system. Diane T. Finegood	(B4) Mobilizing a critical knowledge of difference: translating ‘dance mat’ in the IDEAs study. Duika L. Burges Watson.	(C4) Using evidence in commissioning decisions. Emmanouil Gkeredakis, J Swan, A Clarke, J Powell, D Nicolini, H Scarbrough, C Roginski.	
5.20	BREAK			
5.30	Poster Sessions	Green Room Student stream Chair Amy O’Donnell	Neville Room Interactive posters Chair Sarit Carlebach	
		(S1) Tools as a lens For evaluation to strengthen public health function. Olubunmi Arogunmati.	(IP1) Knowledge exchange and capacity building in a school based program in Southern Austria. Elisabeth Wieseneder, D Grach, G Grasser.	
		(S2) Health professionals’ and patients’ reactions to the implementation of healthy heart checks: an application of Normalisation Process Theory. Rebekah McNaughton, J Shucksmith, A Steven.	(IP2) The potential for working together to explore alcohol use disorders in the Criminal Justice System in the North East of England. Dorothy Newbury-Birch, R McGovern, N Brown, E Gilvarry, P Cassidy, T Hodgson, B Harrison, E Kaner.	
		(S3) Knowledge translation in oral health promotion. Joan Olajide, V Zohoori, J Shucksmith, A Maguire.1		
		(S4) Bowel cancer screening: a question of choice. Julie Tucker, L Geddes.		
6.30	Fairtrade Reception: Address from Richard Adams, Founder of the Fairtrade movement		Fountain Room	
7.30	Conference Dinner (followed by the North East Soiree Trio Jazz Band)		Ballroom	

Knowledge Exchange in Public Health Conference

11-12th April, Ramside Hall, Durham

Tuesday 12th April 2011

8.30	Registration and refreshments			Reception Foyer	
9.00	<i>Chair: Ian Parker (ANEC and Chief Executive, Middlesbrough Council)</i> Welcome address: Fuse: The Knowledge Exchange Group (KEG) Rosemary Rushmer (Senior Lecturer in Knowledge Exchange and Organisational Learning, Durham University)			Bishops Suite	
9.10	Keynote Speaker: Huw Davies (Professor of Health Care Policy and Management, previously Director of Knowledge Mobilisation for the National Institute for Health Research (NIHR) Service Delivery and Organisation programme (SDO). Associate Director of the ESRC-funded Research Unit for Research Utilisation (RURU))			Bishops Suite	
10.00	<i>Lost in Translation:</i> Timandra Harkness (journalist and writer, film, science and comedy)			Bishops Suite	
10.30	BREAK and refreshments			Reception Foyer	
11.00	Parallel Sessions			Workshops	
	Fountain Room (Parallel session D) Knowledge Brokerage Chair Rosemary Rushmer	Beaumont Room (Parallel session E) Knowledge Across Boundaries Chair Janet Shucksmith	Hatfield Room (Parallel session F) New Technologies For Exchange Chair Martin White	Neville room (Workshop)	Conservatory (Workshop)
11.00-11.20	(D1) How does population research impact on policy? The case of the cognitive function and ageing study. Louise Lafortune, C Brayne, F Matthews, C Hill.	(E1) Carer involvement and the co-creation of knowledge: a peer evaluation of carer health checks. Alison Steven, EJ Clarke, A De Trament, E Ford, S Marshall, J Mason, J Thomson, M Turton, T Twigg, T Ashford.	(F1) The Healthy Communities Community of Practice (CoP): how can we engage and work in partnership effectively during times of extreme cuts? Samantha Ramanah, T Gool.	Workshop (2 hour)	Workshop (1 hour)
11.20-11.40	(D2) A case story: evidence informed decision making in public health in Canada. Lori Greco, M Dobbins, P Robeson, K DeCorby, H Husson, M Ward, B Bryant. <i>Continued on next page.....</i>	(E2) The Healthy Communities Programme at Local Government Improvement Development: reflections on knowledge exchange and rehearsal. Liam Hughes.	(F2) Public Health Intelligence North East (PHINE): online knowledge sharing and learning across the North East. Michael Heasman, LJ Ells, L Unsworth, JR Wilkinson.	(W2) Knowledge exchange and the equitable improvement of population health: challenges and opportunities John Mooney; R Geddes, C Jackson	(W3) A glass half full, or one just badly designed? Trevor Hopkins, J Foot, A Morgan

11.40-12.00	(D3) Knowledge brokerage in a CLAHRC: a new concept in knowledge exchange. Anna Betzlbacher, A Barclay, M Coleiro, L Fitzgerald, L Savas, M Gibson.	(E3) Breaking down barriers: public participation in Ayrshire and Arran – how to transform the NHS! David Rowland, I Campbell.	(F3) 'I don't want to talk about it': emotional impact of unemployment. Judith Welsh.	<i>(continues until 1.00 pm)</i>	<i>(ends 12.00 noon)</i>
12.00-12.20	(D4) Translating research findings on mother-infant skin-to-skin contact: community-university engagement in knowledge exchange. Doris Gillis, A Bigelow	(E4) A partnership approach to understanding intra and inter-professional knowledge exchange processes in health visitors' practice. Lindsay Brigham, C Maxwell, A Smith.	Workshop (1 hour) (W4) Practical insights Into using Realistic Evaluation	<u>CONT:</u> Workshop (2 hour) Knowledge exchange and the equitable improvement of population health: challenges and opportunities	Workshop (1 hour) (W5) Knowledge exchange: the role of multidisciplinary schools of public health in promoting health and well-being
12.20-12.40	(D5) Knowledge exchange in action: the case of knowledge brokering. Vicky Ward, S Smith, A House.	(E5) Does everyone understand how this fits together? Communicating at the interface between primary care and public health. Johanna Reidy.	Christina Lyons, Samantha Hogg, Ailsa Brotherton <i>(ends 1.00 pm)</i>	John Mooney; R Geddes, C Jackson <i>(ends 1.00 pm)</i>	 Alyson Learmonth, A Steven <i>(ends 1.00 pm)</i>
12.40-1.00	(D6) Scrambling over fences: the new role of the diffusion fellow in applied health research. Alison Seymour, E Rowley.	(E6) Knowledge transfer and exchange through the lens of neoinstitutional perspective. Gabriela Novotna, M Dobbins, J Henderson.			
<i>Continued on next page.....</i>					

1.00	Lunch and poster viewing			Reception Foyer	
2.00	Parallel Sessions			Workshops	
	Fountain Room Reaching Young People (Parallel Session G) Chair Sarah Morton	Beaumont Room Changing Practice (Parallel Session H) Chair Claire Maxwell	Hatfield Room Whole Systems (Parallel Session I) Chair Martin White	Neville Room (Workshop)	Conservatory (Workshop)
2.00-2.20	(G1) What are we doing about 'teenage pregnancy'? Research into action to improve young people's sexual health. Judith Stonebridge, A McNulty.	(H1) Novel approach to knowledge exchange in bipolar disorders research: the CREST.BD experience. Rosalind Irving.	(I1) Building a shared learning community amongst frontline healthcare staff engaged in translational research. Rowan Myron, D Bell.	Workshop (1 hour) (W6) Secondary data for translational public health research: collaboration with the North East Public Health Observatory	Workshop (1 hour) (W7) Glasgow Centre for Population Health: building understanding, evidence and new thinking for a healthier future.
2.20-2.40	(G2) The tobacco industry and young people: a practical example of sharing learning, ideas and knowledge across the public health community. Lesley Geddes, N Forster, J Macmorran, J Reynolds, A Rutter.	(H2) Health evidence: facilitating use of research evidence in decisions in public health. Maureen Dobbins, L Greco, P Robeson, K DeCorby, H Husson.	(I2) Evidence-informed decision making at peel public health: translating research evidence into practice. Megan Ward.	Louisa J Ells, L Unsworth, JR Wilkinson	Rosie Ilett, P Seaman, E Aspinall, F Crawford
2.40-3.00	(G3) Using young peoples' attitudes, beliefs and opinions to design a school-based physical activity intervention. Kathryn Louise Taylor, L Azevedo, S Bock, A Batterham.	(H3) 'New life, new you' diabetes prevention: modelling or marketing for intervention design? Linda Penn, C Lock, R Lowry, M White.	(I3) Building research and knowledge exchange capacity in primary care in Australia. Rhian Parker.	<i>(ends 3.00 pm)</i>	<i>(ends 3.00 pm)</i>
3.00	BREAK and refreshments			Reception Foyer	
3.30-4.30	Chair: David Hunter Keynote Speaker: Allan Best (<i>Senior Scientist Centre for Clinical Epidemiology and Evaluation, Vancouver General Hospital and Director of the Community Partnerships for Health Research programme in the Vancouver Coastal Health Research Institute, British Columbia, Canada</i>) Closing Remarks and Acknowledgements			Bishops Suite	
5.00	Conference Closes
