

Build

Shaping this new community together - what do we need to build it?

- How can the Community of Practice help to bring people together to share ideas and resources and inspire new projects?
- How do we keep in touch?
- Who is not in the room that we need to reach out to?
- What roles/activities do we need to keep the Community of Practice running – any volunteers?

The Centre for Translational
Research in Public Health

Final reflections and next steps...

- Thank you
- Next steps
- Next Creative Community of Practice session...

Evaluation washing line

- **Tops** - What was ‘top’ about the session? *What did you enjoy?*
- **Hats** - What did you learn today? *Your key take away.*
- **Pants** - What was ‘pants’ about the session? *What did you not enjoy?*
- **Socks** - Where can we pull our socks up next time? *Your ideas for additional content or ways to improve.*
- **Do you want to help organise future sessions?** *If so, please give your name and how you would like to help.*

Please put your feedback on the washing line – thank you!
